

Manual for Online Judging System

March 1, 2018

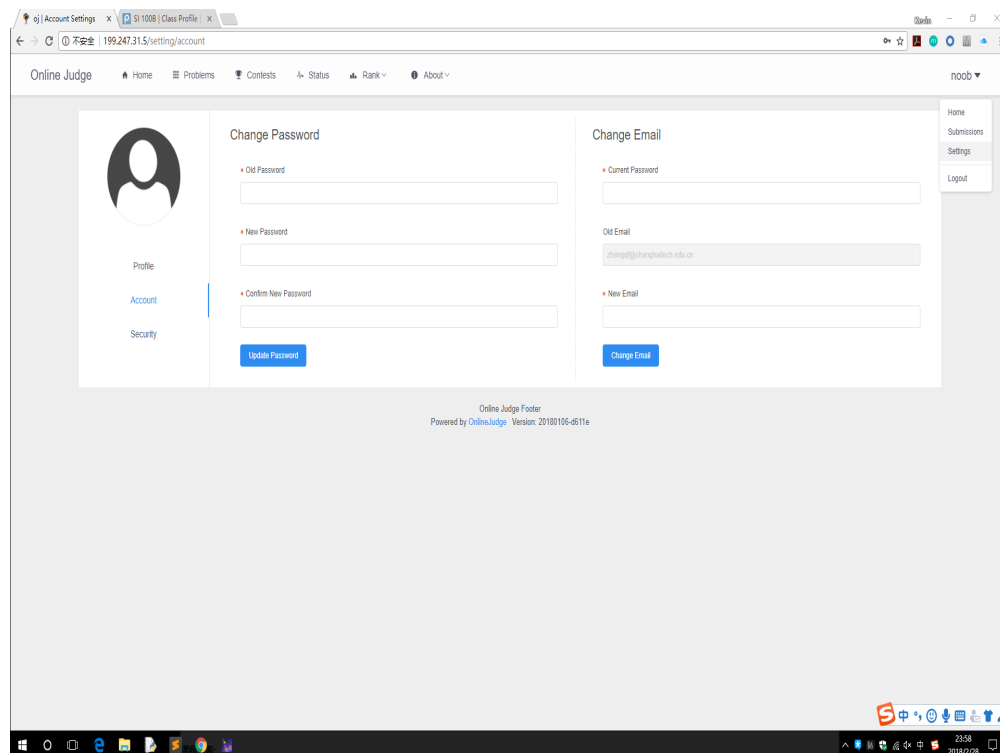

1 Login

Login option is on the upright corner of the website.

You **need not** register an account on your own. All those who have originally enrolled the class has been added automatically.

Your account is your **full** email address and your password is your student ID.

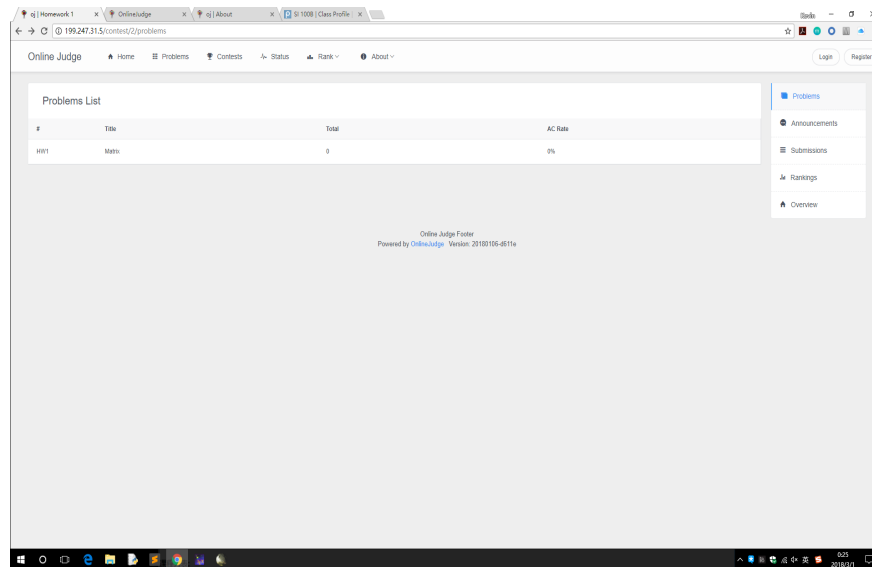

For safety, please change your password as soon as possible after your first login. It is in the **Settings/Account** option.

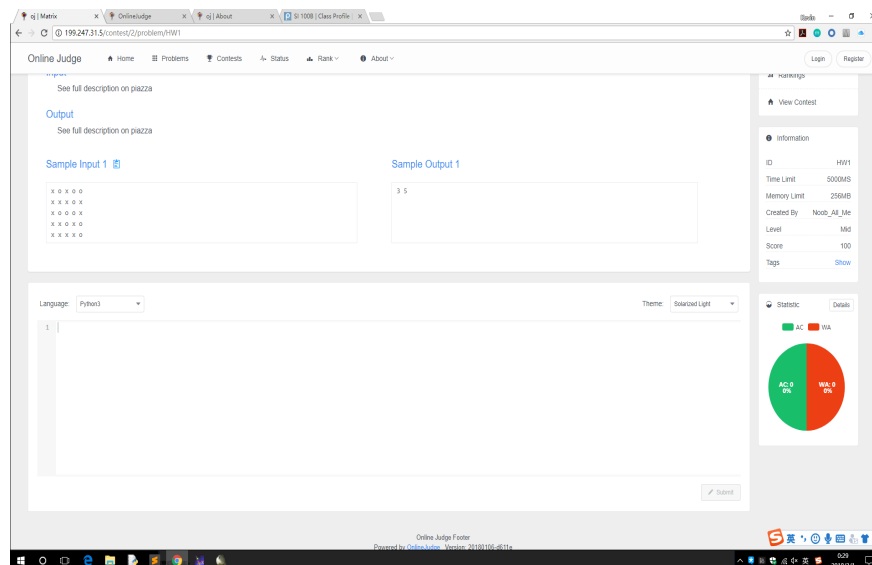

2 Hand in Homework

- First, press **Contests**: You will see Homework 1

- Click in **Homework 1** and then click **Problems** on the right side. Then, you will see:

- Click on the **HW1 Matrix** bar in the middle. Then you will see this the picture below. Then, paste your code in the blanket and click submit.

- To see the result, press **Submissions** just below the **Problems**, then click the ID of your submission.
You will see this:

Enjoy!
